VERMONT DEPARTMENT OF SOCIAL WELFARE MONTPELIER, VERMONT

This twenty-seventh in the series of annual reports submitted to the people of Chittenden presents tabulations for the calendar year 1962. In the Department of Social Welfare's programs of assistance to the aged, blind and disabled 30% of the costs of hospital and physician services, as well as the excess over \$75.00 per month in Nursing Home care, are assessed against the town of settlement of the recipients of such care. Participation charges incurred by your community during the past year for each of these types of care were as follows:

Hospitalization Services.....	\$29.70
Physician Services.....	\$ 2.70

Under similar settlement provisions town participation in the program of Aid to Families with Dependent Children is at the rate of one-eighth the assistance grants while costs incurred for the care of Committed Children are borne equally by the local and state agencies. Charges assessed against your community for the former amounted to \$370.28 and for the latter \$38.75 for the year just closed.

During April, 1962 there were 7 recipients of Old Age Assistance, 0 recipients of Aid to the Blind and 3 recipients of Aid to the Permanently and Totally Disabled residing in your community. Direct money payments to these persons were financed entirely out of state-federal funds. Among the other programs financed from these same sources were Services for the Blind, Adoption Services and the recently inaugurated Medical Aid for the Aged. While no town-by-town records are compiled for these categories, their benefits were available to all qualified residents.

Respectfully submitted,

JOHN J. WACKERMAN,
Commissioner of Social Welfare

THE FREDERIC DUCLOS BARSTOW MEMORIAL SCHOOL

The Barstow Joint Board herewith submits its annual report to the citizens of Chittenden, Mendon and Pittsford.

The Chairman of the Joint Board for 1962-1963 is Mr. Roger Albright of Mendon. Under the rotation policy, the chairman for the next school year will be from Pittsford and the following year from Chittenden.

Mr. Richard Allen, principal for the past three years, resigned to accept a position with a firm servicing schools with jewelry, programs, etc. Mr. George Costello was appointed principal and Mr. Neil Cunningham was hired to teach the eighth grade. Mrs. Edith Strangeway has been ill for the past year and Mrs. Elsie Brown has been hired to replace her while she is on leave of absence.

Your board is continuing its study of providing the necessary space for the future growth of Barstow Memorial School.

We are continuing a strong maintenance and renovation program so that we can keep the building in a sound and well kept condition and also equip the building with modern lighting and other necessities.

Oral French is being presented to the pupils in grades 3, 4, 5 and 6 by Mr. Harold Blaisdell who was hired to replace Mrs. Rosalie Bates who resigned.

All improvements suggested by the engineers representing the insurance company have been completed and the building has been inspected and declared satisfactory by a representative from the Fire Marshall's office.

The accounts of the school were audited by P. F. Jurgs and Company of Burlington, Vt. and all accounts were found to be in good order. The auditors also found the Joint Board was complying with the terms of the agreement.

We wish to thank parents, staff and interested people for their help and cooperation.

Respectfully submitted,

School Directors, Chittenden
School Directors, Mendon
School Directors, Pittsford
